Money Management Workshops

ISN'T IT TIME FOR YOU TO BE IN THE GREEN?

The Student Money Management Center is expanding its services with the launch of the Student-to-Student Financial Success Project (S2S). The S2S Project features student money mentors teaching students basic skills of money management. S2S also offers individual counseling sessions, group presentations, in depth skills series, and clinics. The project also has an online training component for self-paced study.
